Quorum: 8 Committee Members

Aim: To deal with AS's works relating to New Works, A & A Works and Minor Works.

Terms of Reference:

1. To promote the professional status of AS.
2. To establish a communication network, and to promote information and knowledge transfer among the AS / TD members.
3. To promote education & training to existing / potential AS / TD members.
4. To encourage nomination of suitable HKICM members to represent HKICM to attend various committee / working group of BD, and other government departments.

5. To encourage existing AS / TD with suitable qualifications to join HKICM.
6. To coordinate the views and contribution of the AS / TD members to the development of construction practices, policies and codes.
7. To gain the confidence of BD and other government departments in HKICM members' service to the construction industry and community at large.
8. To ensure HKICM is among one of the professional organizations that BD will consult when contemplating new construction practices and measures.
