**"Professional Practice in Construction Management" Training Course Series  
Series 2 – "Certificate in First Aid" Course (AFA)  
「急救證書」課程 (AFA)**

**Organized by  
Hong Kong Institute of Construction Managers**

**Course Brief and Objectives:**

The objectives of the Construction Management Training Course are providing platforms and opportunities for HKICM members in enhancement of their practical knowledge as well as keeping them abreast with the prevailing managerial skills and relevant statutory requirements in all essential elements of construction management. In this connection, we are proud to have engaged experienced practitioners as our guest speakers of the following intensified training module in that they would enlighten the participants with their expertise in a professional and practical approach. (For the details of the anticipated training schedule for all 3 Course Series).
