<b>Programme Highlight</b>	: Green building has become the controversial topic in market in recent years. It becomes more important to know how to choose the green products when doing a project, no matter New Building or Renovation. As the one of the big name decorative paint manufacturers in Japan, SKK keeps innovating products which are eco-friendly and cost effective. Ms. Michelle Tsang will also share her experience on how to minimize the cost and energy in the projects by using SKK eco-friendly products.
