Prof. Dr. Leung is a well-known experienced & qualified Occupational Health & Safety Practitioner. He started his safety career early in 1981. In the past 40+ years he gained solid working experience both locally & overseas in managing safety in mega-size construction projects, conducting safety training and safety auditing, handling prosecutions cases, civil liabilities litigation & Employees' Compensation procedures.

His early 9 years working experience both on site and in the corporate position entails him to understand and deal with different problems & challenges. He also had 6 years precious working experience overseas in the Ontario Government in Canada which gave him a lot of insights & new experiences. His return has brought prominent benefit in the growing stage of Occupational Health & Safety in Hong Kong.

After returned from Canada, he had been involved with the Airport Authority & Mass Transit Railway Corporation in the New Airport Core Project as a Senior Safety Advisor from the client's perspective. He was then taken up the position of Corporate Safety Manager for an oversea construction giant to look after their operation in the Asia Pacific Rim. In year 2000 **Prof. Dr. Leung** started his own safety and health consultancy business which grown rapidly.

Prof. Dr. Leung's academic training in building, civil engineering, occupational health, safety & environment and his broad experience exposure cater him to serve this versatile, multi-discipline, complex industry. He attained his Master Degree in Safety Management after he came back to HK. In 2014 he received his doctorate degree. All these achievements enhance him in further develop his career.

He is currently the Vice President of The Hong Kong Federation of Occupational Safety & Health Association. He is the Immediate Past President of The Hong Kong Occupational Safety & Health Association (2016 - 2020), the Past President Society of Accredited Safety Auditors (2000 – 2004) and the Past Chairman of the Hong Kong Industrial Safety Association (1998 - 2000). His community service also extends to sit in various safety subcommittees e.g. OSHC Shipbuilding & Repair Safety Subcommittee, CITA Safety Officer Course Content Review Committee, HK Polytechnic University Safety Auditors Training Scheme Organizing Committee, HKCA Safety, Health & Training Committee and Chairman of the CITA Assistant Safety Officer Advisory Committee etc. In 2003 he has been appointed by the Commissioner of Labour to be a member of the Disciplinary Board Panel under the Factories and Industrial Undertakings (Safety Management) Regulation. He had also been served as a member for Safety Officer Advisory Committee previously.

Prof. Dr. Leung is a very popular speaker in safety and health discipline. In order to share his valuable experience to others he is also lecturing safety in the Universities & other organizations to nourish the young generation of OSH. In year 2000 he was awarded the Outstanding Safety Practitioners Award jointly issued by the Labour Department, the Occupational Safety & Health Council and The Hong Kong Polytechnic University. He received his Honorary Membership for Asia Pacific Occupational Safety and Health Organization early in 2021.
