Mr Hei	City U Student Representative

**Quorum:**    4 Committee Members

**Aim:**

To promote the Institute to students in the construction field and help those young members in the advancement of their career to be a successful construction manager.

**Terms of Reference:**

1. To establish a network of young members for exchange of views, sharing of experience, posting of questions, discussion of common issues and involvement in events and projects to cultivate their sense of belonging to the Institute.
2. To provide effective channels of communication between young members and the Institute.
3. To offer mentorship to young members.
4. To assist the development of young members' business networking through closer interaction with suitable groups.
5. To provide an effective platform to nurture young members to become future leaders of the Institute.
