

CURRICULUM VITAE

Cr WONG Pui-man, Amanda (黃珮雯營造師)

Amanda is an expert in programming and programme analysis with extensive experience in litigation, arbitration, and mediation, having contributed to over 20 dispute cases. She has served as Independent Programme Facilitator (IPF) on major government NEC projects covering infrastructure, reclamation, structures, roads, tunnels, and traffic diversions.

She specialises in delay analysis and preparation of claim submissions, proficient in Oracle Primavera P6, Suretrak, and Microsoft Project. Her project portfolio includes landmark developments such as the HK Science & History Museum, WKCD Integrated Basement, Lyric Theatre, M+ Museum, Xiqu Centre, Macau City of Dreams, Venetian, MGM, XRL Foundation Works, Deep Bay Link, Route 8 Sha Tin Height Tunnels, multiple West Rail and MTR stations, CLP Black Point Gas Supply, Shenzhen MTR Line 4, and regional data centre programmes across Asia.

Amanda has served as a Council Member of HKICM, and is currently Chairman of HKICM's Dispute Resolution Committee. She also contributes to drafting the New Standard Form of Building Contract (SFBC) with HKIA and HKIS.
