

QUALITY BUILDING AWARD 2024

Pre-award Seminar Series

Seminar 1 — Building the Future: Innovations in Construction Technology and Collaboration

The Quality Building Award 2024 Pre-award Seminar Series aims to showcase the success stories of past winners. In Seminar 1, we will highlight their outstanding achievements in utilizing innovative technologies, such as Modular Integrated Construction (MiC). The seminar will explore the theme of “Building the Future” by emphasizing the importance of collaboration and digitalization in the construction industry. The event will provide a platform for knowledge sharing, networking, and potential partnerships with professional institutes and developers.

Date : 4 December 2023 (Monday)
Registration Time : 3:30-4:00 pm
Seminar Time : 4:00-6:00 pm
Location : 16/F Conference Room, HKCA,
180-182 Hennessy Road, Wanchai, Hong Kong

About the Quality Building Award 2024

The Quality Building Award (QBA) is a prestigious biennial recognition for exceptional teamwork and professionalism in designing and constructing quality buildings across Hong Kong, Mainland, Macau, Taiwan, and overseas. Organized by nine leading institutions in the property and construction sectors and chaired by the Hong Kong Construction Association (HKCA), the QBA 2024 encourages innovation, sustainability, and happiness with the theme of “Empowering Innovation | Sustaining Green | Generating Wellness”. It continues to honor outstanding contributions and advance Hong Kong’s development.
